

***Why not be a guest at your event?  
Relax, we'll take care of everything for you!***

## **Consider these 5 Reasons**

### **TIME:**

With today's hectic lifestyles, hiring a professional planner to handle details of an event is essential to ensure a successful event. Research shows that a Company Gala, Fundraiser or Wedding can take up to 300 hours to plan. Visiting us at **Montreal Event Planner** the one-stop shop of event resources will save you these hours in research alone. We offer a wide array of providers. This is why hiring an experienced event planner to coordinate and troubleshoot any emergencies can actually make planning a fun and stress-free experience for you!

### **MONEY:**

Once the planning begins you will be exposed to many different resources; venues, photographers, caterers, florists, entertainment to name a few. Of course, there is only one perfectly suited to your style and budget. The relationships we have built with these vendors help us match the right people together in a cost efficient way. Market value awareness and negotiating the best price is second nature to us at **Montreal Event Planner**.

### **RELIABILITY:**

The service providers that **Montreal Event Planner** recommends to clients are by invitation only. What it means is that they are among the most talented, in-demand, creative, classical, non-conventional, and hard-to-find people in the business. We maintain an up-to-date list of elite partners in all major service/product categories. There is an extremely rigorous selection criterion that includes reputation, quality, flexibility, service, reliability and price. This way, we can ensure that the success of your event is everyone's highest priority.

### **CREATIVITY:**

**Montreal Event Planner** will draw on your vision to create a reflection of your requirements. We will engage you in the creative process by presenting ideas and designing a theme to your event through the use of subtle, yet exciting details from; different and exotic venues to unique entertainment. Remember the possibilities are endless. We are here to facilitate the creation of a lasting impression that your guests will remember for years to come.

### **PEACE OF MIND:**

We guarantee smooth sailing through decisive solutions and courteous troubleshooting in order to assure your peace of mind. **Montreal Event Planner** will tend to every detail, behind the scenes &/or on-site, so that you and your guests can relax and enjoy this celebration.
